Hot Off The Press book presentations in Spring 2024

April 24 - Patrick Le Galès and Jennifer Robinson

Le Galès (CNRS Sciences Po) and Robinson (UCL) bring in this co-edited handbook an impressive diversity of contributions in global urban studies together.

The Routledge Handbook of Comparative Global Urban Studies (2024) gives an overview of lively debates in this emerging field of urban studies and calls for a rigorous comparative methodology to study urban phenomena globally and across different contexts.

Discussants: John Mollenkopf, Shalini Randeira and Bas van Heur

Time: 4 P.M. CEST

Registration

For the third Hot Off The Press book presentation we will receive Justus Uitermark (University of Amsterdam) and his co-edited book "[On Display. Instagram, the Self, and the City](#)" (2023).

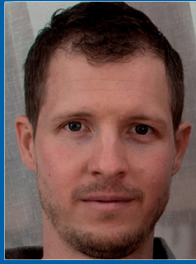

We look forward to welcoming you to these spring events with fruitful and engaging exchanges!

Zoom links will be provided in due time. Please note that the sessions will be recorded.
